

James E. West Fellowship

An endowment gift that keeps giving back to local Scouting

A \$1,000 James E. West Fellowship gift provides critical, permanent support of the Scouting program in Central Texas. Each of these gifts stays in our council's endowment fund. Our council only spends a portion of the fund's earnings each year; 55% of that portion funds annual operating costs and 45% of that portion funds annual capital improvements to our camping properties. A James E. West gift truly is a gift that keeps giving back to Scouting.
