

Vietnam Veterans of America: Eagle Scout Medal

Dear Eagle Scout,

The Vietnam Veterans of America congratulates you for achieving the highest rank in Scouts BSA. You have climbed the Eagle trail and have reached the top. Your hard work and dedication are to be commended.

In April 2019, the Vietnam Veterans of America Board of Directors approved a new National Eagle Scout Medal. The medal is intended for presentation to a Scout who has achieved the highest rank attainable in the Scouts BSA program of Scouting America.

The Eagle Scout medal was initiated at the request of the VVA National President, who periodically receives requests from the Scouting community for a tribute from Vietnam Veterans of America to present to an Eagle Scout.

For additional information and to request an Eagle Scout medal packet, email VVA Communications Director Mokie Porter at mporter@vva.org. The medal is available at a cost of \$15.00 each. The packet includes an Eagle Scout commemorative medal, a congratulatory letter and a certificate, both signed by the national VVA president.
