SUBJECT: Letter of Appreciation

1. On behalf of Troop 1 of San Angelo, Texas, I would like to express our deepest appreciation to Lost Pines Scout Reservation and its exceptional staff. We would especially like to recognize the support provided in helping us create a memorable Eagle Scout ceremony for one of our Scouts as he departs our troop family and begin his next chapter
2. From the very beginning, Ron, Will, and Toni were incredibly supportive. They trusted us with the opportunity to incorporate the ceremony into the closing campfire program and worked alongside us to make it a truly special highlight of the week. Their willingness to help, flexibility, and commitment to creating meaningful experiences for Scouts exemplify the spirit of Scouting and contributed to a moment that our Scout, his family, and our troop will never forget.
3. Every aspect of Lost Pines encompassing the food, facilities, staff instruction, and administration support was expertly planned and executed.. It was quickly apparent the staff's embraced hard work, the leadership, and dedication to the Scouting ideals and program. Thanks you to your commitment and consistently exceeding expectation throughout the week.
4. Lost Pines Scout Reservation is truly a stellar and top-notch program that stands apart from any Scout camp experience our leaders have encountered. It is truly a gem in the heart of Texas. The quality of Lost Pines staff truly reflects the very best of Scouting America. Everyone involved should be proud of the outstanding experience you have created for your campers and the positive impact you continue to make on young people each summer. Thank you again for the memories.

Yours In Scouting!!
